

# St Michael's C of E, VA School

## Our improvement plan for the academic year 2017 to 2018

### Priority 1: To improve the quality of teaching and learning and attainment at key stage 1

- Ensure teaching engages and challenges all children
- Meet the needs of all children by providing clearly differentiated work
- Ensure learning objectives are fit for purpose
- Use concrete resources to enhance learning and engagement
- Improve standards in all aspects of literacy
- Improve standards in all aspects of maths
- Ensure marking and feedback policy is closely followed and consistent
- Establish teacher competency and confidence in use and analysis of progress using tracking software
- Ensure excellent behaviour for learning in key stage one.
- Develop and enhance the learning environment

### Priority 2: To develop middle leadership across the school

- Devolve core subject leadership
- Clarify expectations for other subject areas
- Ensure special educational needs and disability provision is clear, coherent and effective
- Provide for continuity in the early years foundation stage leadership through a period of change
- Target continuing professional development for school improvement

### Priority 3: To prepare for the future of St Michael's as a primary school

- Embed the ethos of the school in the design of the curriculum, extending this into Year 3 in preparation for September 2018.
- Increase and improve parental involvement in the school and learning
- Determine the provision and climate for learning that St Michael's will offer children who become year 3s in September 2018
- Develop the provision for Collective Worship
