

Dream, Believe, Achieve

We are a school, rooted and inspired by Christian values, which nurtures children to achieve infinitely more than we might ask or they may dream; empowering them so they can flourish as confident citizens now and in the future.

Pupils behave well throughout the school. They are courteous and respectful. When pupils need guidance to improve their behaviour, staff provide good support and role modelling. (Ofsted report October 2019)

At St Michael's we aim to encourage mutual respect between children, parents and staff. Out of this mutual respect, a child's self-discipline and sense of responsibility can grow. We celebrate good behaviour and thus encourage the children to develop self-esteem and self-discipline.

Children are taught to behave in a manner which contributes to a comfortable working environment for themselves, their peers, the staff, helpers and visitors to the school.

They will be expected to follow the Golden Rules, expressed as follows:

- We always try to do our best.
- We look after everything around us.
- We listen carefully and wait for our turn to speak.
- We walk inside our school.
- We look after ourselves and keep ourselves safe.
- We are respectful, friendly and kind to others.

Any inappropriate behaviour will be dealt with by the member of staff present in the first instance. The child's class teacher will be informed and may ask to see parents. More serious incidents or persistent misbehaviour will be reported to the head teacher who will speak to the child and inform the parents as necessary.

At St Michael's we deplore any form of bullying and ask for any incidents to be brought to our attention straight away. Any name-calling, aggressive or threatening behaviour, damage to property or any other form of bullying should be reported to the class teacher or head teacher. Any ongoing behaviour or bullying concerns will be logged on MyConcern, our safeguarding system,

Any reported racist incident will be immediately addressed and we will follow the recommended procedures of the Local Authority. Parents are welcome to view the appropriate school policies.
