

# Beech Class

## Summer 2 Topic Web 2023

### Days to remember

Tuesday	PE- Outdoor
Thursday	Outdoor explorers Hand in homework
Friday	PE – indoor Reading Celebration - Our classroom is open 3pm each week for you to join us and listen to your child read.

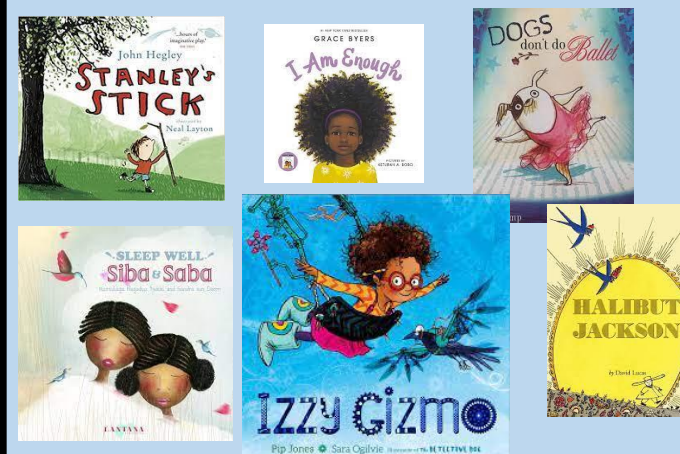

**Don't forget that you can change independent reading books as often as you like. Remember to sign or comment in the reading record so I know the book needs changing.**

### Theme this half term

The Seaside

### Core Read Aloud Texts

### English

In English this half term we will be learning about instructional texts. We will learn about their features including 'bossy' verbs and identify them in different texts. We will follow and sequence instructions. We will then write our own instructions for getting ready to go out in the sun, thinking about sun safety. At the end of the term we will have a short story writing unit based on Lucy and Tom at the seaside.

### Maths

In maths this half term, we will be working with numbers to 100. We will practise counting in 10's to 100 and partition 2 digit numbers into tens and ones. We will then explore money, recognising and adding coins and notes. Our final unit will be time. We will order the days of the week and months of the year. We will also practise telling the time to the hour and to the half hour.

### Science

Our Science topic this half term is seasonal changes. We will be learning about the four seasons and will identify the changes that take place. We will also develop our understanding of different weather.

### RE

Our RE unit is 'How did the universe come to be?' We will explore Christian and Hindu creation stories before thinking about the environment and what we can do to take care of our world.

### PE

PE will be on Tuesday and Friday each week, so please send your child to school dressed in their PE kit on these days. Our outdoor session on Friday will be multi skills, practising skills for sports day. Our indoor session will be a yoga unit. Children will explore a range of yoga poses and how they transition between them.

### Outdoor Explorers or Computing and Music

Outdoor explorers will be on Thursday afternoons. Please ensure your child has wellingtons and a waterproof coat in school.

### Geography or History

This half term our geography unit will be Beside the Seaside. We will identify the features of a seaside and will sort these into human and physical features. We will learn about compass directions and will use these to describe the location of somewhere.

### Art & Design or Design & Technology

This half term we have a DT unit on Beach Huts. We will be finding out what a structure is and will identify structures in our school grounds. We will investigate how we can make a stable structure. We will design, then make and evaluate a beach hut.
