

Oak Class

Autumn 2 Topic Web 2023 - 2024

Year 5/6

Theme this half term

Europe with a focus on Greece
(Great Greek Geography)

Core Read Aloud Texts

We will continue to read Who Let The Gods Out as the class have really enjoyed the story and it is being used in our class guided reading lessons. The story also links back to our History unit around Ancient Greece.

Days to remember

Monday	
Tuesday	Mr Rush has PPA – Mrs Dawson covers.
Wednesday	PE & Swimming
Thursday	
Friday	Homework

English

This half term we are going to focus on a non-chronological report around our theme Greece. The children will be writing to inform using their knowledge and research to provide the reader with a greater understanding of the geography and history of Greece. We will also spend time looking at SPaG to aid the children's writing.

We will spend the last few weeks exploring Poetry (Free verse).

Maths

This half-term the main focus in maths is all around operations and fractions.

We will be learning the different methods used to solve addition, subtraction, multiplication and division problems.

We will also look at fractions and spend time understanding what they are and how they work. We will then look at how we can add, subtract, multiply and divide fractions with each other.

Science

Our Science unit looks at the idea of inheritance and evolution. The children will explore the different theories and discoveries i.e. Darwin's Theory of Evolution.

The children will explore how different habitats and animals have changed over time and how this may have happened.

PSHE

In PSHE this half term we will be learning about Zones of Regulation. We will explore vocabulary relating to emotions and learn to recognise different emotions in ourselves and others. We will also become more aware of triggers which lead us to feeling less regulated.

PE

We will have PE on Wednesday afternoons, We will have one inside lesson and one outside lesson each Tuesday afternoon.

Computing and Music

This half term will be doing computing and our topics will be online safety and using spreadsheets. These are important skills for children to be aware of and understand for the future.

Geography or History

In Geography we will be exploring on Europe with a focus on Greece. This links nicely into what the children have already been looking at. The children will be able to explore what life is like in Greece and how it compares to life here in the UK and in other European countries and cities.

Art & Design or Design & Technology

In art this half term the children will be exploring printing, using different tools, materials and surfaces to print shapes and images.
